Cuizon Ballet Centre holds the highest standards of training. We take great care in your children, their progress and their wellbeing as dancers and human beings. The discipline of ballet can improve students lives in many ways. Cuizon Ballet Centre is designed to train students to the highest level. Open communication is necessary to design a plan on how students would like to use this training. To be a professional dancer, to dance at a high level and attend university, or because you want to dance and would like the best training possible. The care of proper training is the same for all dancers, but the intensity varies based on the student's desires. **I have read and agree to abide by the policies herein.**
